TOPJOB®S

PUSH PERFORMANCE TO THE TOP

TOPJOB®S

For All Conductor Types

 Push-in termination of solid or class B stranded conductors

Hands-free wiring of all conductor types – simply insert the screw driver keeping the clamp open, and both hands are free for wiring

Fastest Marking System

 Continuous marking strip for up to three lines of marking

> Reduce marking time with quick installation of the continuous strip

> > smartPRINTER™
> >
> > Industry's most
> > economical and
> > versatile printer

- Industry exclusive jumper retention spring
- Most comprehensive offering of jumper solutions

Industry-Leading Safety
 Push-in CAGE CLAMP® offers the same safe, reliable, vibration-proof

and maintenance-free connection that WAGO is known for

 With worldwide approvals, TOPJOB[®]S can be installed safely across the world

TOPJOB°S offers a complete line of terminal blocks accommodating wires from 24 to 4 AWG
